## MEADOW OF SWEET MEMORIES

## Dr. Anil Agarwal

B.E, FIE, MBA, Ph.D

Chairman

HRIT Group of Institutions  
&  
Delhi Public School HRIT Campus

Hon'ble Member of Parliament (Rajya Sabha)

## Chairman's Message

**D**elhi Public School HRIT Campus is a social enterprise with distinct vision of reviving education in India.

Albert Einstein has rightly said, "Intellectual growth should commence at birth and cease only at death". Enabled by this noble thought, it gives me immense pleasure and a sense of pride to be a part of the noble mission of imparting quality and value based education to the children of the nation.

HRIT Group of Institutions, governed by Harish Chandra Ramkali Charitable Trust, Ghaziabad-a name that needs no introduction in the field of quality education, started a new chapter with the name of Delhi Public School HRIT Campus in the annals of child's education which translates into easy access to better education for more and more children in and around NCR. The group comprises of six institutions in addition to DPS HRIT i.e. HR Institute of Technology, HR Institute of Pharmacy, HR Institute of Hotel Management, HR Institute of Engineering and Technology, HR Institute of Science and Technology and HR Institute of Law.

All these institutes have earned the laurels for themselves in the entire National Capital Region for providing I.S.O. level technical & professional education and research oriented activities within a short span of their inception. Delhi Public School HRIT aims at setting out very high education standards under the joint efforts of Delhi Public School HRIT Campus & HRIT Group of Institutions. School envisages with a moto of providing an experiential learning environment with emphasis on intellectual and emotional growth.

I wish success, very happy and bright future to all the new seekers of knowledge and warmly welcome all to the Delhi Public School HRIT Campus, Meerut Road, Ghaziabad.

Vice Chairman

HRIT Group of Institutions  
&  
Delhi Public School HRIT Campus

Jean Piaget has rightly said, “The principal goal of education in the schools should be creating men and women who are capable of doing new things, not simply repeating what other generations have done.”

Keeping in view, the same spirit, and the prosperous heritage of India, Delhi Public School HRIT Campus is determined to transmit quality and value based education to its students under the guidance of dedicated and motivated teachers. Over more than a decade, the school has carved a dignified niche for itself since inception. Its pride emanates not only from its state of the art infrastructure or the outstanding academic results for magnificent leaps in co-curricular activities but also from the virtuous and values that a child imbibes from the perpetual fountain of learning, flowering spontaneously in the atmosphere of HRIT Campus.

In today's scenario, the main aim of school

education is not just the delivery of didactic teaching of various curricular for preparing the students for framed examinations, but is the wholesome development of the personality and maturity of young minds that are more important. Therefore, Delhi Public School HRIT Campus believes in extending scholastic and co-scholastic support to its students with the view of personality development, intellectual growth and enhancement of their skills so that they become self dependent and responsible citizens of the global society.

I welcome all of you in lush and green campus of the school to experience a new dimension in education. Let your child be groomed to meet challenges & emerge successful in the global scenario.

DPS HRIT Campus

**E**ducation is not the filling of a pail , but the lighting of a fire.” - WB YEATS

We, at DPS HRIT create an environment for the students where each student is able to discover his inborn talents and skills and know his potential well. We take special concern for the well being of our students encompassing their mental, physical and emotional dimensions.

At DPS HRIT we aspire to impart quality education with a well balanced and relevant curriculum. We believe that when there is a right blend of character and intelligence true education is achieved. We try and educate our students to develop a positive social behaviour to make them responsible global citizens. We are always open to new & innovative ideas and suggestions to add more value to the students of our school. Our unique teaching pedagogies help our students achieve their goals and fulfill their dreams.

In the current challenging times it has become all the more important that students should not only excel in academics but also develop the qualities of discipline, social sensitivity, courtesy and imbibe in them the values which are our rich heritage.

The management and the staff at DPS HRIT Campus take utmost care of the students and provide them with state of facilities like well equipped science and computer laboratories, separate sports room and audio-visual rooms. As we all know that every child is like a seed who has the capability to grow but needs to be nurtured very carefully with lots of love and care, so proper attention is given for the holistic development of the students. I have full belief and trust that our most valued parents along with the team at DPS HRIT will surely help the students grow into self respecting and courageous torch bearers of our nation.

*"All the top achievers I know are life long learners, looking for new skills, insights and ideas. If they are not learning they are not growing towards excellence."*

**S**chool is the only place that can give us concrete knowledge, fascinating adventure and meaningful education, thus enriching our lives.

At DPS HRIT we continue to empower and nurture the joy of learning by offering a vibrant and dynamic learning environment where children can discover their passion and realize their goals. This helps students acquire skills and knowledge to face this multicultural society with confidence. It is our unending endeavour to empower children not only in academics but also to face challenges of life, outshine in every exploration and further the boundaries of personal excellence.

The learners of the 21st century are bold, creative and tech savvy, capable of collaborating with students around the world. Under the guidance of fiercely committed staff with caring pro-active and positive approach students are encouraged to explore, experiment and experience thus, enabling children to think outside the box.

I feel extremely fortunate to be associated with this prestigious group as the Principal, being passionately involved in the field of education for more than two decades has given me the opportunity to have witnessed the transitions students undergo in their school journey. It has broadened my understanding of how we can ensure quality education for our children and build up their capability to evolve as global citizens.

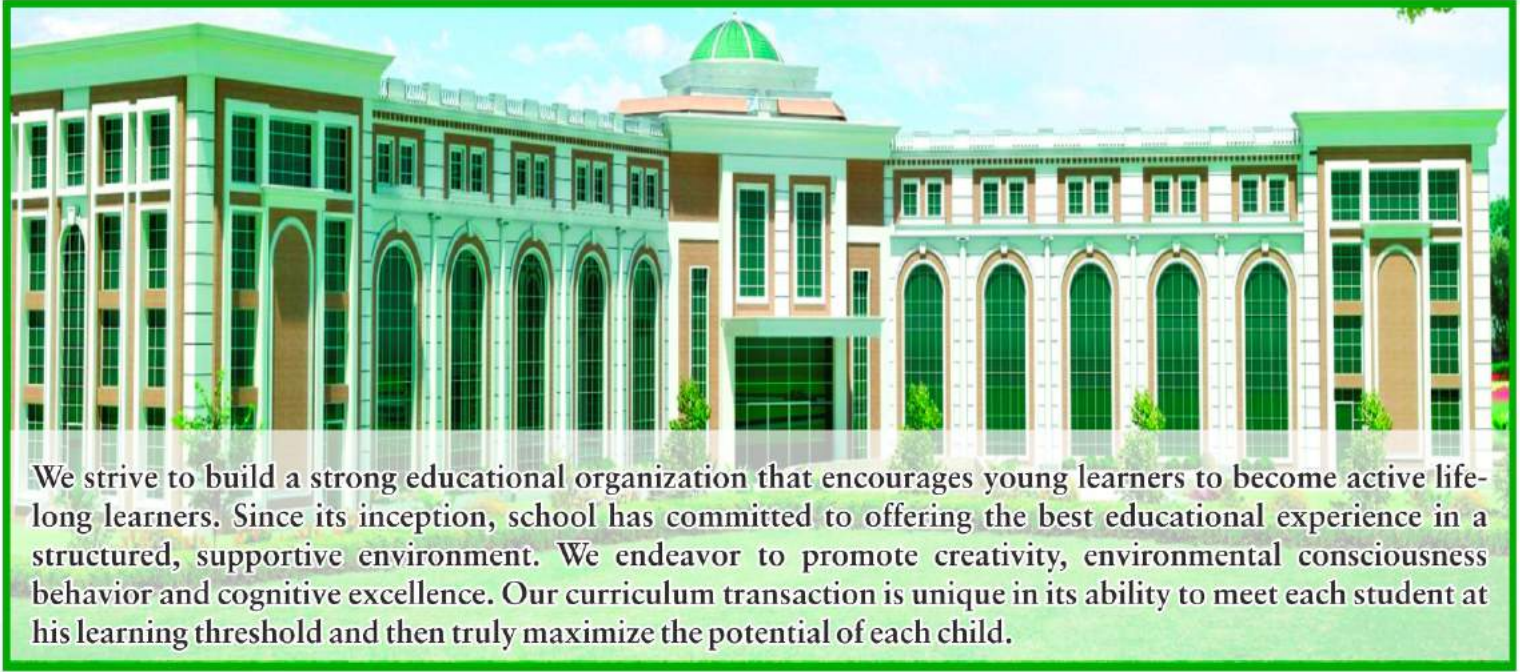

Treading on the path of imparting education and enriching the young tender minds have instilled in me keen insight of latest teaching pedagogies, educational best practices and importance of experiential learning. I feel there is a long path to tread with new challenges to meet and build.

Being empowered to influence the future, we at DPS HRIT are committed to ensure that every child receives the values, skills and knowledge. Learning at DPS HRIT takes place in many shapes and forms. Through multi-disciplinary approach and broad co-curricular program students are provided an environment congenial for them to pursue their interests to the best of their abilities and adapt to this vibrant environment of profound learning.

Warm Regards and Best Wishes

# School ACTIVITIES

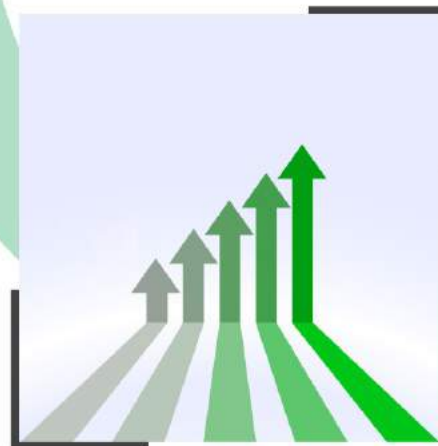

## TOWARDS ALL-INCLUSIVE GROWTH...

Our vision is to see beyond the classrooms and textbooks. We believe that teachers and parents in tandem shape up the child. Our extracurricular programs develop and challenge each student to perform at his highest level through practice, competition, and outstanding teacher support.

Art & craft, dance, music and theatre have a strong place in the school curriculum. All extracurricular activities are designed to develop confidence and encourage students to try something new, while enhancing their school experience. Students hone their self-confidence, emotional intelligence and various skills through impeccably interspersed academic and co-curricular curriculum. The arrays of Inter house, inter school and clubs allow students to pursue activities of their own choice. This aids in exploring the latest talents of our students.

## ASSEMBLIES: INSTILLING THE RIGHT VALUES...

Assembly is the time of quiet reflection that enables pupils to develop the deepest values and aspirations of the human spirit. The utilization of morning assemblies on themes based on moral values and social issues help children to inculcate the feelings of true citizenship and personality development. Street plays, enactments and special worksheets all add to the learning experience of the students.

Special assemblies adds to the enhancement of cultural and national values.

## CAREER CONSELLING...

Career counseling and Enhancement workshops are conducted on regular basis because as educators we realize that it is imperative for students to identify their aptitudes, interests, career goals and aspirations.

With the even evolving dynamism in the field of education workshops are conducted for teachers to embrace the Latest in Education.
